Good afternoon everyone

On May 20th, 21st, and 22nd Soil Away will be at the property cleaning the carpets in all of the buildings including the clubhouse.

If you would like a quote to have your condo cleaned you may call them at 603-641-6555 to obtain a quote.

We now have a person who is interested in organizing a yard sale this year! We will be posting and sending more information as it becomes available.

Management has been to the property and have checked out the progress on the spring cleaning of the decks. Please make sure to remove any items that are not on the approval list previously sent to everyone.

If you have any questions or concerns regarding the cleaning or deck information please call me at (603) 429-2019 ext. 338.

Thank you
Connie Garland
