Good afternoon everyone

The pool is open! We still have some work to do with the ventilation for the new heater but Gagne Plumbing and Heating has repaired the issue until the new material arrives.

I will be delivering notices door to door with the parking lot sealing instructions and the parking sticker policy.

The map is on the picture window of the clubhouse for everyone to review so that you will know which day you need to be out of the lot by 7:30am.

If you are an off-site owner please make sure to get the parking stickers to your tenants when you receive them. We will be mailing these stickers out later in the week after the sealing is done.

As always give me a call or send me an email if you have any questions.
