Good morning everyone

This is just a friendly reminder that NH Blacktop Sealers will be at the property on Monday June 16th and Tuesday June 17th. Please remember that if you are in the parking garage and need to get out any time before 6:30pm you will need to be out of the garage by 7:30am. If you are parking in the lot you need to leave the area by 7:30am as well. I have placed a map on the window of the clubhouse that shows which areas will be done on which day.

John Wrecking will be towing vehicles off the property that are still in the lot after 7:30am. Their number is (603)225-6266. If your vehicle is towed you will need to contact and pay them directly. It is extremely expensive so please make sure to move your vehicle.

I will be at the property at 7:15am each day to make sure the lots are cleared.

Thank you in advance for your assistance.
