Good afternoon everyone -

It's been a busy spring. Building 2 will be shut down for a short time on Thursday. Gagne Plumbing will be working on the hot water system. He has posted reminders for everyone on the doorways.

I have attached an update for the property. Don't worry if you cannot download this information. I will be posting updates at the mail house for those of you that do not have email or cannot download the program.

If you have any concerns please call or email me. I would be happy to speak with you. During the construction i will be at the property in the mornings for a short time to catch up on how we are doing on the repairs.
