Good morning everyone

Attached you will find a copy of the guidelines and rules regarding decks/patios and the garage spaces.

Please review the information carefully. If you receive a reminder or fine letter please contact me via email and let me know that the issue has been taken care of. There may be a few days between the time of the inspection and when the letters are done and mailed out so please contact me and I will verify the issue has been addressed and avoid the letter and fine altogether.

Information regarding the inspection from the insurance company as the memo says is on the Oak Bridge website.

Thank you.
