Good morning everyone:

For those of you that have motorcycles at the property we ask that you make arrangements to have them removed from the parking lots by November 15th for the season.

Those of you that have garage space you may store the motorcycle(s) in the space provided you are able to park in that space as well.

If you have any questions please call me at (603) 429-2019 ext. 338 or email me cgarland@harvardmanagement.com
