Good afternoon everyone:

We are pleased to inform you that we have hired a permanent part time person to work at Oakbridge. Ted Konstantinidis comes to us with a strong background in site management. We have attached a photo of Ted in order that you will recognize him at the property.

The board and management were very fortunate to have Mike Grasso step in without any notice as a part time vendor while the board searched for a suitable candidate for the property.

Ted will be at the property 20 hours a week and possibly more if the need arises. If you have any questions please feel free to contact the board or management.

Thank you

Connie Garland
