Good afternoon everyone

Now that school is out and summer is in full swing we would like to remind you of the policy regarding bicycles in the common area, parking lots and the garages.

The policy is and always has been that no one has permission to ride any type of bicycle on the grass or in the parking lots, garages or roadways.

You may ride the bicycle from the garage or the bike rack to Fisherville Road, however riding in the lots, grass and garage areas are strictly prohibited.

Also please practice caution when crossing the roadways at the property. Hitting someone accidentally is something that we want to avoid.

Any concerns regarding the property's policy we ask that you contact Connie at the Harvard office at (603) 429-2019 ext 338 or email [cgarland@harvardmanagement.com](mailto:cgarland@harvardmanagement.com)
