Association Insurance Savings

Good News!! Due to the Board's direction and Connie's diligence and persistence, we are pleased to announce a reduction in cost of our 7/15-6/16 Master Insurance Policy! Who says bills never go down? The changes implemented by the Board regarding garage + deck clean-up and requiring owner unit insurance increase from \$5,000 to \$30,000 per incident; decreased our monthly insurance payments from \$6542 to \$6065.50 a month!! Some 476.50 a month or \$5,241.50 for the year (paid over 11 months) savings. This savings will help offset increases in expenses that have occurred in others areas this year.

We want to thank all residents for your continued cooperation in this endeavor. Please contact Connie Garland, Harvard Management, at 603-429-2019 or cgarland@harvardmanagement.com with your questions and comments.
