As the Holidays arrive and family and friends visit, please be reminded to not park in any numbered spot that does not belong to you.

Visitors need to park in the visitor lot or off the property. The only vehicles that are permitted to be parked in the permit spaces are those that have parking stickers on them.

It is very annoying to come home and have a stranger parked in your assigned spot. Vehicles will be towed without notice if parking procedures are not followed or if vehicles are illegally parked. Investors please make sure you notify your tenants of this procedure.
