Good afternoon everyone

We finally had our first snow experience of the season. I would like to thank everyone who moved their vehicles so that the snow removal team were able to clear the lots. We did have some issues with vehicles that did not mover or moved after the snow removal company left the property. Those residents have been notified and fined for not moving. We would like everyone to know that the next time we will have no choice but to tow the vehicles from the property. The contractor is unable to clear the lots if you do not move. It effects more than just one parking space.

We had two vehicles in the visitor lot that did not move for snow. Please make sure to speak with your visitors and let them know that they must also move for snow by the 10:00am deadline.

Management has made contact with the trash removal company and they will be addressing the overflow in the dumpster surrounds.

Coupon books will be late this year. If you are paying your condo fee by check please mail it to Oakbridge Condominium Association c/o Harvard Management Solutions Inc. P.O. Box 2019 Merrimack, NH 03054

Thank you.
