Good morning everyone

Now that the vehicle registration has been completed we would like to remind everyone that if you do not have a blue or yellow sticker on your vehicle it is likely that the vehicle will be towed. Please consider this your reminder notice. If you have not registered your vehicle please call me (603) 429-2019 ext 338 and make an appointment to meet me at the property. Please do not park at the property especially in the visitor lot.

Also please remind your guests that they cannot park in the lots designated for permits only vehicles. The only place a visitor may park is in the visitor lot in front of the clubhouse.

John's Wrecking is the tow company for this property and may be monitoring the site at any time. We do not want to have cars towed from this property so your attention to this matter is kindly needed.

On the evening of March 22nd a vehicle with the plate number 392 6782 was parked not only in the permit parking area, it was parked in a numbered space. Please make sure to ask any guest coming to your home where they have parked.

Thank you in advance.
