Good morning everyone

Now that April is almost here we would like to remind everyone that they need to take in their shovels from the decks and patios. Any potted plants need to be limited to the patio and deck areas.

Thank you to all of you that have registered your vehicles with us.

On April 1st those residents that do not have either a yellow or blue sticker on their cars may be towed without further notice. In addition to the possibility of towing a \$25.00 per month charge will be assessed to those owners that have not submitted the proper paperwork.

If you change vehicles you will need to register that vehicle with the association.

Please contact me (603) 429-2019 ext 338 or email me cgarland@harvardmanagement.com if you have any questions.

Thank you.
