Good morning everyone

Attached please find a copy of the most up to date rules for the property. If you are renting your unit please make sure that you give this to your renter. The rules have also been added to the Oakbridge website as well as the caliber website.

We would also like to remind those first floor residents that have gas grills to make sure you move the grill out 10ft from the building when using the grill.

We continue to monitor the parking issues so please contact me if you are having issues with parking.

For those of you that have not registered your vehicles with the association we are sorry to inform you that you will be charged another fine this month. If you have any questions on this policy we would be happy to answer them for you.

Connie Garland
Property Manager
