Good afternoon everyone

We would like to take this time to remind all of you of a few things that have recently become an issue:

Clubhouse and pool policy - all residents must accompany any guest while using the facility.

Please understand that volunteers monitor and close the pool and clubhouse each night. We ask that you leave the building promptly at 9:00pm.

Management monitors the decks, patios and garage spaces. Please make sure that only approved items are placed in these areas. Do not attach or place anything to the railings of the decks. We also ask that you not attached anything to the building/siding.

If you are renting your unit out please forward this reminder to your tenant.

Thank you in advance.
