Good afternoon everyone

Management has received information on two vehicles that were parked in the permit parking by building 3. plate 351-5030 gray jeep and 408-6579 red ford focus. If these two vehicles are yours please call me at (603) 429-2019 ext 338. They cannot park in the lot without permits. If they are your visitors they need to park in the visitor lot.

It was also noted that there were two motorcycles in this lot parked in one space. If these motorcycles belong to you please call management.

With the winter months coming up quickly we want to make sure all vehicles are registered with the association. If you do not have a blue or yellow sticker on your vehicle and live at the property you cannot park on site. I will be at Oakbridge on Thursday from 3 to 5. Please let me know in advance that you will be coming to pick up stickers.

Thank you
