Good morning everyone

Those of you that have changes such as a new tenant or vehicle or pet updates must include the following information attached to the unit information sheet:

Vehicle information sheet

NH copy of the vehicle registration

Copy of the lease

Copy of the required pet information

If all of the information is not attached to the unit information sheet the paperwork will be returned to you.

We are getting only partial information and it is very difficult to track all of this information.

If you have requested parking stickers and have not received them please email me at cgarland@harvardmanagement.com.

Thank you

Connie
