Good afternoon everyone

[Please be reminded that the annual meeting is this Thursday evening at 6:00pm at The Church of Christ on 141 Fisherville Rd.](#)

Also for building 2 residents only - the garage door was closed today in error by Overhead Door. [Maintenance will be opening the door later today.](#)

Management has told Overhead Door that they need to notify us when the reader will be installed so that the cards can be distributed before the reader actually goes in so that you all can open the garage door.

Thank you

Connie Garland
