Dear Residents,

As part of our ongoing company merger, we wanted to inform all residents who may have afterhours or weekend emergencies, to please call (603) 622-7000. This is a new telephone number, which should be used going forward. An operator will take your information and forward it to the appropriate on-call staff.

If you continue to use any of the old Harvard Management phone numbers, the calls will be forwarded, but we wanted to make you aware of the new main phone number for The Evergreen Harvard Group.

If you have any questions, please reach out directly to your property manager.

Thank you,

Scott T. Barbera, Vice President

The Evergreen Harvard Group
