Dear Board Members:

Please find attached a memo which will be distributed to all homeowners regarding Homewisedoc.com.

Since 2012 Evergreen Management has been offering this service to our clients with great results. As we continue with our merger with Harvard Management and determine the best business practices, The Evergreen Harvard Group will be expanding this online program to include all current Harvard Management clients.

The program is a further enhancement The Evergreen Harvard Group can offer to its clients and offer an overall better service for the homeowner, sellers, buyers, real estate brokers, etc. when they are requesting these closing documents.

This change will be effective May 31, 2017.

Thank you,

Scott T. Barbera  
Vice President  
The Evergreen Harvard Group
