Good morning everyone

Management spoke with Town Square this morning with regard to sales representatives knocking on unit doors. I have requested a do not contact on this property. Please let management know if this continues. We would also like to remind everyone that they are getting into the building because someone is letting them in. Please do not let someone in the building that you do not know.

We would also like to remind everyone not to leave items in the common area. If you do not want the item(s) kindly dispose of it.

We would also like to remind everyone that you need to register your vehicles with the association. Management tagged 4 cars this morning and had one towed late last week.

If you have any questions or concerns please contact me (603) 622-7000 ext 3380 or email me cgarland@evergreenharvardgroup.com
