

**PROPERTY UPDATES - please read**

Evergreen Harvard Group [cgarland@evergreenharvardgroup.com]

Sent: Monday, July 17, 2017 10:47 AM

Good morning everyone

Beginning August 1st we will be working with a new cleaning company. Jason Parent from Titan Cleaning will be servicing the property. If you have any cleaning concerns please contact me at the office.

Building 3 - we have two leaks in the heating lines. On Wednesday July 19th the water will be shut off beginning at 8:00am. It may be down for a few hours so please plan accordingly.

Parking - we continue to have issues with visitors parking in the numbered spaces. Please make sure that your guest(s) are not parked in a numbered spot. We understand that mistakes happen and i am sure you would not be very happy if your parking spot was taken upon returning home from work.

Pets - please open the gate to the dumpster and place your pet waste bags inside the dumpster.

Un-supervised children - Please make sure that you properly supervise your children while they are outside. Management has received several complaints with regard to children behind buildings 2 and 3 causing issues with dogs inside the units.

Please contact me at [cgarland@evergreenharvardgroup.com](mailto:cgarland@evergreenharvardgroup.com) if you have any questions or concerns.

Thank you.

Connie Garland  
Property Manager
