Good afternoon everyone

The hot tub is closed due to a malfunction with the heater. A new heater is on order and will be installed as soon as it arrives. The waiting time is approximately 2-3 weeks.

Buildings 2 and 3 - It appears that the most recent changes that were made for the new residents or for residents changing names or telephone numbers did not stay in the system. If you have requested a change in name or phone number and do not see that it has been done please let me know. A & B Lock has been contacted and management is waiting for them to service the directory station at the front doors.

Buildings 1 and 4 - stay tuned. We are waiting for an installation date for your building.

Thank you
