Good Afternoon,

Building 3 water will need to be shut down for necessary repairs and leaks this Thursday, 2/8 approximately between 9-10AM, if all goes well.

In addition, garage drain pipe leaks will be repaired. We request you **DO NOT FLUSH YOUR TOILETS between 9-10AM** as to not flood the garage or drown the repair guys.

We are sorry for any inconvenience. Thank you for your cooperation.

Regards, BOD
