Subject – On-Line payment

Dear Owner,

This letter is to make you aware that on Thursday May 10th, 2018, Bishop Real Estate Management discovered that the on-line bill payment process had been compromised. We immediately reported to TD Bank as well as Payeezy that the site had been compromised and that there were fraudulent transactions taking place.

In an effort to protect the owners at Oak Bridge Condo Association who take advantage of the on-line bill pay we had our Web developer shut down the site. Please know that neither the members of your Condo Board nor Bishop Real Estate Management have any control over the internet or the potential hackers that have caused this compromise. We have taken all possible steps to assure that your financial safety is not in further jeopardy.

As soon as we have a response from Payeezy and/or TD Bank that this unfortunate situation has been rectified, we will once again resume the on-line bill pay option. Payeezy is used by many condo associations and rental properties.

We apologize for this inconvenience and we thank you for your understanding and patience as we get to the bottom of this.

Sincerely,

Shelley Gullett
