Good Afternoon,

Common Area Carpet Cleaning will happen on June 1, 2018. All building common area carpets will be cleaned. The cleaner asks that you remove your hallway door mats. It takes longer to clean the hallways if they have to move door mats, which in turn costs the Association and owners more money.

You may contact Best Qualified Cleaning directly to have your unit carpets cleaned at a later date. Their number is 603-622-6200. You might want to ask if they will give unit owners a discounted rate which may depend on how many units request this service.

Approved **April board minutes** attached and are also on website along with April financials.

Regards, BOD
