Good Morning,

Carpet Cleaning – 6/21/2018 – The date of common area carpet cleaning has been changed to June 21, 2018. Please remember to remove your outside unit door mats to help with the cleaning. You may contact Best Qualified Cleaning directly to have your unit carpets cleaned, at your time and cost. Their number is 603-622-6200. You might want to ask if they will give unit owners a discounted rate which may depend on how many units request this service.

Landscape/Flowers – We are looking for a few people who would be interested in recommending additions or changes in our common area landscape, shrubs and flowering plants. Please reply to this email if you are interested in volunteering your time.

All plants and flowers are on common area and are there for the pleasure of all residents. Please do NOT pick, cut, prune or tamper with any greenery on campus. Flowers are not planted for you to cut and bring into your unit for your pleasure. We have many people who have “adopted” space in our landscape beds, planting flowers. We want to thank you! We all benefit and appreciate the beautiful volunteer work being done around the community.

Bath Tub – Someone put a bath tub in the B2/3 dumpster. If you saw anyone doing renovations in the past week inside a unit in B2/3 or have any information on this, please immediately reply to this email with the unit number. We ALL pay for charges against our community by the city waste disposal department.

Regards, BOD
