Good Morning,

On Thursday, July 12, all building 2 entrance door locks will be changed. Within the next few days, 2 keys will be delivered to your unit door which are to be used with the new door locks. Additional keys can be purchased from the board at \$5.00 each.

Your old building 2 door keys will no longer work after July 12.

We are upgrading all locks here at Oak Bridge as some of our locks are over 15 years old.

Please reply to this email with any questions or to purchase additional building keys.

Regards,
Board of Directors
