Good Afternoon,

This email is being sent to all owners and residents of building 4.

There is a U-Haul that has been parked in a "P"ermit-only spot behind building 4 for well over a week. This van is not allowed, is not registered with the property and is illegally parked.

Please move this van to the visitor lot in front of the club house to risk being towed at your cost.

Regards,
Board of Directors
Bishop Real Estate Management
