Good Morning,

This email is being sent to all owners and residents of buildings 1 and 4.

We are having continual issues with sinks and tubs clogging in buildings 1 and 4 due to food and grease being put down garbage disposals and drains.

Please carefully read the attached regarding the dos and don'ts of garbage disposals. Every time Rotor Rooter is called, it's a \$300-\$500 bill that effects our condo fees.

Thank you for your co-operation.

Regards,
Board of Directors
