Good Evening Owners,

The Association is charged a service fees by PayEazy each time your OakB condo fees are paid on-line using this system. These fees have run from \$400-\$900 each month, depending on how many owners use this on-line payment service and has been paid by the Association.

The Board and Management do not feel these fees are an Association cost but a service cost to owners making on-line payments. Service charges for doing on-line banking are the norm these days.

Starting tomorrow, August 9, 2019, a **4% service charge** will be applied to all on-line payments using PayEazy. We as an Association will no longer absorb these charges.

Many banks do not charge a service fee for automatic on-line bill pay. Please check with your bank regarding paying your condo fees on-line through your bank's bill pay service to avoid this 4% service fee.

Please call Shelley at Bishop REM 880-6464 with any questions.

Regards,

Board of Directors
