Good Afternoon B2 Owners and Residents,

Please mark your calendars for Monday, July 6, starting at 7:30AM, when the garage area floors in buildings 2 and 3 will be cleaned. Cleaning is done using sand blasting not water. All vehicles, motorcycles, and loose items (carts, bicycles, etc.) **MUST BE REMOVED** from the garage area before 7:30AM on the 6th.

This is July 4th vacation week. Please make sure if you go away, you do not leave your vehicle in the garage on the 6th.

Vehicles may park in a “P”ermit space the night before the cleaning. Neither the cleaning company, property management nor the board can be held responsible for any damage to vehicles, motorcycles, or personal items left in the garage area during cleaning.

B2 ELEVATOR BROKEN WINE BOTTLE

THANK YOU, board members Ewa and Dale and owners Greg and Gloria, for cleaning up the broken wine bottle in B2 elevator late Saturday afternoon. THANK YOU for not stepping over the broken glass and wine and for not leaving it there for someone else to clean up.

SHAME ON YOU who ever broke the wine bottle in the elevator and just left it there where people/kids could get hurt. SHAME ON YOU for just walking away leaving your mess for someone else to clean up!!! Remember - what goes around, comes around...
