Re: Introduction of Owner Portals

Dear Owners,

We have received many requests from owners/residents to have the ability to access their owner ledgers. We are pleased to announce that through the software used by Bishop Real Estate Management, Inc., we now have Owner Portals available for your use.

You will receive an invitation from Propertyware which has been created by Bishop Real Estate Management, Inc., for this service. All you need to do is sign on as a new user and create your own personal password.

Note: Your ledger information can be found under the "My Rentals" tab after you have successfully logged in. A link to this portal can be found on the home page of the Association's website: OakBridgeNH.org.

If you have any questions, please do not hesitate to contact Bishop Real Estate Management, Inc., and we will be more than happy to assist.

Sincerely,

Shelley Gullett
