

MINUTES OF OAKBRIDGE CONDOMINIUM ASSOCIATION
FINANCE/RULES COMMITTEE

11/14/2012

Attendees: Barbara Pine, Chairperson
Ann Crossley
Helen Skaleris
Marian Guynan

The meeting consisted mainly of going over the financial statements and explaining what the committee function actually is. Several suggestions were made for revamping next year's statements. Delinquencies and the ledgers were also scrutinized. Several ledger entries were flagged for Great North to explain.

Barbara will be accompanying the board to a meeting with the accounting staff of Great North in December. It is hoped we can iron out some of our questions and get a better feel for how our account is handled.
