Good afternoon

The following parking spaces will be re-assigned spaces by the garage/pedestrian door for building 2.

The "P" designation will be removed and a number will be assigned to those spaces. The spaces involved are the row of spaces starting with space 39. Unit 40 will be assigned the space by the walkway. All other spaces in this row will be re-located.

[The work has been scheduled for Tuesday morning, Sept. 5th beginning at 7:30am approximately and as always weather permitting.](#)
At the end of the row by the clubhouse you will see that the last space has been designated for motorcycle parking.

If you have any questions or concerns please contact me directly at (603) 396-3135 or email me cgarland@evergreenharvardgroup.com

Thank you
