Good Afternoon,

Attached please find the new 2018 unit information form and directions. Please use this form for any changes in your Association information. The 2017 forms are no longer valid and will no longer be accepted.

The attached form and directions can be found on our website at:

[oakbridgenh.org/OBdocuments.htm](http://oakbridgenh.org/OBdocuments.htm) under "Assn. + Insurance Documents"

You will notice more emails being sent from the Board since November. We will be communicating often through email blasts, especially with emergency or important notices. Please read these emails when sent. All emails sent since 2014 can be found on our website under the "Emails" tab.

Also note on the 2018 unit form, a contact email address is now required. If you know of an owner or resident who elected to not supply an email address in the past, please explain to them they will be missing important community notices and communications from the Board. The NH 2016 Condo Act Amendment (HB 353) states email is now a legal form of board communication and meeting notices, overriding any past Bylaws or Rules stating other forms of communication must be used.

Have a safe and healthy 2018!

Board of Directors
