Good Evening,

4/25/2018

Attached please find the approved **March board meeting** minutes.

Spring Walk-Thru - In the next week or two, all decks, patios and garage spaces will be inspected as part of our normal spring walk-through (not for structural issues – that’s coming later). Please make sure your deck/patio and garage space, if applicable, only contains items listed as approved. Some of the garage spaces are starting to look a bit “cluttered.” Winter shovels should be removed off decks/patios.

The list of patio/deck and garage rules can be found in the Association Rules and Regs on the website:

<http://oakbridgenh.org/documents/rules.pdf>

Exercise Equipment - The board wants to thank all owners and residents for the overwhelming response for suggestions of new exercise equipment! The top 5 requests were: treadmill, rowing machine, elliptical, stationary bike and recumbent bike. There were many who wanted to up-grade the TV.

We will do our best to get everything listed here, watching the pocketbook and space constraints. Only broken equipment will be taken away for recycling (at no cost). The weights, tower and bench will remain along with the one good treadmill. Stay tuned!

If you have any questions, please reply to this email.

Positive Progress! Board of Directors
