Good Evening,

Starting this Monday 9/24, repairs will be made to the 2nd floor windows on the garage side as well as garage side ceiling, staircase walls and bump-out roof above the garage. Repairs may last up to 2 or more weeks.

**BEWARE:** Sections of the garage side staircase and hallways will be caution-taped off from use during construction. You will not be able to use the garage side staircase and exit/entrance doors while they are taped off for repairs.

Thank you for your patience and co-operation while we continue to make necessary repairs.

Regards, BOD
