Good Evening,

Attached please find a letter drafted by our master insurance policy company and approved by the board. The contents of this very important letter explain the amount and type of insurance all unit owners are strongly urged to carry on their units.

These H-06 owner insurance per unit deductibles have been in place since Jan/2014.

This yearly insurance reminder letter is being sent out to all owners at Oak Bridge. Please read the attachment carefully and make sure you carry enough insurance on your unit.

Regards,  
Board of Directors  
Bishop Real Estate Management
