## Do you need to replace your windows or slider?

Good Afternoon,

This email is being send to all Oak Bridge owners.

1. We have a vendor coming on Monday, (Prestige Windows) to give us estimates on replacing windows and sliders. The more business we can give him the better a price we may be able to get. If anyone is interested please call/email Helen, [helen.skaleris@gmail.com](mailto:helen.skaleris@gmail.com) 603-856-5925. He will be here between 3:00-3:30 on Monday June 24th.

2. We have owners asking about installing a 2nd air conditioner in their bedrooms and we don't know of any vendors to refer. If you have already had a 2nd air conditioner installed in your bedroom and you are happy with the vendor can you please reply with a recommendation for us?

Thank you all!
