Good Evening,

This email is being sent to all owners at Oak Bridge. Attached is an important letter from State Farm, our master insurance policy carrier, regarding a change to the deductible for the Association and the updated owner H06 letter.

Please read the attached 2 letters carefully. Check with your insurance carrier to see if the Association deductible change has an impact on your H06 insurance policy for your unit(s).

If you have any questions, please call the number listed in the attached letter.

Regards,

Board of Directors
