Good Morning OakB Owners and Tenants,

BIKES IN BIKE RACKS -

Next **FRIDAY, AUGUST 9**, all bikes in every outside bike rack will be removed and donated. The vast majority are old and cannot be ridden.

If you have a bike stored in any bike rack, please remove your bike if you intend to keep your bike. You will be able to put your bike back in the racks after pick-up that same day.

Once bikes are gone, you will not be able to retrieve your bike should you change your mind or forget to remove it from the rack.

GARAGE SWEEPING -

Please mark your calendars for **Monday, August 12**, when the garage area in buildings 2 and 3 will be cleaned. Cleaning is done using sand blasting not water.

All vehicles, motorcycles, and loose items (carts, bicycles, etc.) **MUST BE REMOVED** from the garage area by 8AM on the 12th. Vehicles may park in a “P”ermit space the night before the cleaning.

Neither the cleaning company, property management or the board can be held responsible for any damage to vehicles, motorcycles or personal left in the garage area during cleaning.

Regards,

Board of Directors
