Good Morning B3 Owners and Tenants,

The dead tree behind B3 was not removed yesterday due to the rain, only the tree in the picnic area was removed.

The tree company is coming back tomorrow, Weds. 10/9, to remove this dead tree.

We are asking the below units to **NOT** park in their assigned parking spots until the tree is completely removed and all tree removal vehicles are gone or have moved. The tree removal company needs access to the area where the dead tree is. Any vehicle that remains in the way may need to be towed or may be damaged and will be the vehicle owner's responsibility and expense. There are plenty of "P"ermit parking spots on the main roadside of B4 to temporarily park your vehicle.

Units: 130 -141 - 142 --- please do not park in your assigned spots tomorrow, 10/9. Please do not make us call you to remind you to move your vehicle.

If you have any questions, please call Shelley at Bishop REM.

Thank you for your cooperation,

Board of Directors
