Good Evening,

This email is being sent to all OakB owners and tenants.

Attached please find our 2019-20 Snow Removal Procedure. Again, there are no changes to this procedure for this snow season. Please read CAREFULLY and COMPLETELY. Our master insurance policy rate is based in part on our rules and procedures and how well they are enforced. Take this procedure very **SERIOUSLY**. Please know the board and management will strictly enforce these procedures without exception or without prior notice.

We do not send out emails when it is time to plow.

Remember – All owners/residents are responsible to remove any snow, ice or standing water off their decks. (See By-laws Maintenance & Repair by the Owner pg. 14 and rule #21 in Rules and Regulations)

Our towing company is: Above All Collision M-F 8AM-5PM 603-224-6065, after hours 603-520-8936.

Thank you in advance for your cooperation.

Regards,

Board of Directors
