Dear B2 Owners and Residents,

Today we had yet another false alarm triggered by someone pulling the fire alarm box on the first floor above the garage entrance. Intentionally pulling a false fire alarm is a crime. Anyone that has any information leading to the identity of the person pulling the alarm please call Bishop REM at 880-6464. Anonymous tips can be put in the board mailbox on the right wall of the mail hut.

There will be a monetary reward to anyone that has information leading to conviction for this crime.

Regards,
Board of Directors
