B2 Water Shut Off Tonight 8PM-12ish - NO FLUSHING

Dear B2 Owners and Residents,

Just a quick reminder that the water in the building will be shut off from approx. 8PM to at least midnight tonight to repair 2 sewer drain pipes in the garage.

DO NOT FLUSH YOUR TOILET after 8PM please. Please cover/block the flush handle of your toilet at 8PM as a reminder. A kind board member will be sitting in the club house library from 8:30PM-12AM to let you in to use the bathrooms (only, **no showering**) in case of an emergency.

Anyone parking below or near the 2 open ceiling spots in B2 garage are asked to not park in the garage tonight. Any vehicle's owner in the way of repairs will be called to move said vehicle.

Thank you for your co-operation and understanding.

Regards,

Board of Directors
