Good Evening OakB Owners and Tenants,

We are pleased to announce the club house and pool area will be re-opening on Saturday, June 6 at normal hours of operation:

Club House 5AM - 10PM

Pool Area (includes pool room, lockers rooms and bathrooms)

6AM - 9PM

Club house opening follows the Governor's announcement of hotel openings.

Due to COVID-19 it has been difficult finding an exercise equipment repair vendor. We are diligently working this issue.

Please remember, the use of the club house facility is at your own risk. Please bring your own disinfectant wipes - remember to wash your hands frequently - and social distancing is strongly advised. The club house is professionally cleaned once a week at normal schedule.

B2 Mulch Fire - We cannot believe we have to say this - but **DO NOT THROW YOUR CIGARETTE BUTTS OFF YOUR DECK/PATIO**, especially if they are lit!!!!!! A unit owner had to put out a smoldering mulch fire at left entrance of B2 over the weekend due to a lit cigarette butt carelessly tossed aside. **SERIOUSLY??**

We see tons of cigarette butts on the ground around the buildings. Please do not be so lazy, put a proper disposal container on your patio to dispose of your butt waste. There will be a hefty fine if caught throwing butts on the ground! Please immediately report anyone you see throwing butts on the ground.
